

# Cuivre River Electric Cooperative seeking former members

## Checks issued in 2018 have not been claimed.

This list is of former members who were issued either capital credit checks or other refund checks in 2018. The checks remain unclaimed.

Most checks represent a portion of the capital credits the members accumulated while purchasing electricity from the cooperative during 1995 and/or 2017. The cooperative has previously attempted to deliver these checks by mail.

Former members who were eligible for capital credit or other refund checks for the period noted above, and who are not included in this list, have already received their checks.

All checks issued during 2018 which remain unclaimed 60 days after this notice shall be deemed assigned and donated to Cuivre River Electric Cooperative, in accordance with the cooperative's bylaws.

For questions about this list, please contact [crec@cuivre.com](mailto:crec@cuivre.com) or 800-392-3709, ext. 4373.

### PROPER IDENTIFICATION IS REQUIRED TO CLAIM CHECKS.
