

## DUAL FUEL & MINI SPLIT HEAT PUMP REBATE QUALIFICATIONS

### ELIGIBLE APPLICANTS

- (1) Cuivre River Electric Cooperative members are eligible for rebates when purchasing qualifying new Air Source and Mini Split Heat Pumps with supplemental gas or propane heat, **\$150/ton**.
- (2) The structure in which the member resides, and in which the heat pump is installed, must be a permanent structure on a permanent foundation on land owned by the member.
- (3) Rebates are limited to eligible services (homes, lake homes, shops, barns, etc.) that use more than 6,000 kilowatt-hours of electricity on an annual basis.

### ELIGIBLE HEAT PUMP EQUIPMENT

- (1) The combination of all equipment (Furnace + Heat Pump + Coil) must be **ENERGY STAR® Plus 2 rated with a minimum SEER of 16.5**.
- (2) Dual Fuel heat pumps must use a fossil fuel for backup heating requirements — wood burning systems and electric resistance units are not eligible for a rebate.
- (3) Mini Split heat pumps cannot use electric resistance heat for backup.
- (4) Equipment installations which receive rebates may be subject to Cooperative load control programs. The applicant agrees to allow the Cooperative to control the heating and cooling equipment now or in the future.

### EXISTING EQUIPMENT (when applicable)

*Space Heating:* The heat pump may be used to replace existing heat pumps, electric resistance or fossil fuel equipment in the home.

*Air Conditioning:* The heat pump must replace either a Central A/C system or a minimum of two window A/C units.

### REBATE DETAILS

- Rebates will be issued in the form of checks, not energy bill credits. Rebates may be payable to either the applicant or the contractor, as designated on the application.
- The application must include all the information requested; one application per heat pump.
- A copy of the dated sales receipt or invoice must be submitted with the rebate application.
- Incomplete applications will not be processed and will be returned to the member.
- Recipients of rebates may be requested to participate in a future survey by phone or email.
- Allow 6 — 8 weeks for rebate processing. Keep a copy of the application and receipts for your records.
- Rebates are valid only for the term of the program.

### DISCLAIMER

- The Cooperative is not responsible for information provided by HVAC contractors, retailers, builders or other parties regarding the amount or conditions of the actual rebate.
- The Cooperative will not rebate equipment that has been mislabeled or misrepresented.
- The Cooperative provides no warranty for equipment operation or performance.
- The Cooperative reserves the right to inspect the equipment installation at the address indicated on the front of this application.
- Completed applications become the property of the Cooperative. The Cooperative is not responsible for any lost, late, stolen, ineligible, illegible, misdirected or postage due mail.
- Rebate qualifications and amounts are subject to change at the Cooperative's discretion and the program may end at any time without notice.
